

ABOUT US

Our business is based on strong fundamentals...

Go-Ahead is one of the UK's leading public transport providers, responsible for more than a billion journeys each year on our bus and rail services.

Regional bus

We run fully owned commercial bus businesses through our seven bus operators predominantly in the south of England. We employ over 7,500 people and run around 2,800 buses within these businesses. We have operations in Brighton, Oxford, East Yorkshire, Plymouth, East Anglia and on the south coast as well as in north east England.

London bus

We operate tendered contracts for Transport for London (TfL). This comprises of 164 routes from 17 depots in the capital. Around 85% of these depots are freehold. We are the biggest bus operator in London with a 23% share of the market, running over 2,100 buses and employing more than 7,000 people.

Rail

Through Govia, a 65% owned joint venture with Keolis, Go-Ahead currently operates two UK rail franchises for the Department for Transport (DfT), GTR and Southeastern and operate over 4,800 daily services. Until December 2017, Go-Ahead ran the London Midland franchise. Our rail operations employ over 11,500 people.

...because of these we are expanding our footprint, reaching more passengers.

Singapore

In September 2016, we began operating a bus contract in the Loyang district of Singapore, which has a similar contract structure to that in London. Employing over 1,000 employees, we now run more than 400 buses on 27 routes from our local depot.

Ireland

We won our first Irish bus contract in August 2017 to operate 125 buses across 24 routes in Dublin. In March 2018, we won our second bus contract, taking the total number of routes to 30. Go-Ahead Ireland will commence operating its first route from September 2018.

Germany

Go-Ahead Bahn and Bus is currently preparing for the start of three German rail contracts in 2019, in Baden-Württemberg and Bavaria. In June 2018, the Group was awarded a fourth German rail contract, for the E-Netz Allgäu routes which will commence in 2021.
