

Graduate Management Programme (Rail)

On Go Ahead's rail management graduate programme you won't be spending much time behind a desk! Over three job rotations you'll be immersed in all aspects of station and on-board service management, alongside project management, ensuring you are responsible for all operations elements. From ticketing, to dispatch (safe train departure), to customer care, you can expect hands-on shift work with real responsibility, building up to managing some of the UK's largest and busiest stations, immediately impacting the two-million people travelling on our network each day.

Salary: £25,000 per year

Start date: September 2020

Duration: two years

Key requirements

- **A degree in any discipline, all grades considered**
- **A passion for enhancing people's lives through public transport and putting the customer at the heart of everything we do**
- **Commitment to relocate up to three times during the two-year programme**
- **This is a safety critical role so your job offer will be conditional on a health assessment against defined criteria (e.g. vision, hearing, physical health)**

What Go-Ahead can offer you

- Membership to the Young Rail Professionals Network and the Chartered Institute of Logistics and Transport
- Full support from mentors, specialists and your own graduate community - we spend £22million per year on training and development, so make the most of what is on offer
- To gain the skills to become a Station Manager or an On-Board Service Manager by the end of the programme
- Career progression – a senior manager role within five years – on track to be earning £35-40,000 per year
- Free travel on many of Go-Ahead's services, local and national
